

Hanging Rock @ WPT ^{Olmstead}
 below Union Park

That WPT diversion dam took the water ^{No. of Upper Falls}
 out of the river into an old square ^{west}
 wooden flume to south fork of River, then
 across the highway to the cement
 gaging station and on down the high
 & higher ^{down the}
 side of the canyon.

flume weathered, Billy Ferguson ^{Howser}
 Davis, Con Adams, & others ^{others}
 corkum stuffed in leaks.

Later, wooden flume changed to
 round metal ribbed flume as we
 see it now like huge green worm
 running down the north wall of
 those canyon
